

THE HERO'S JOURNEY THIS FALL AT HITS

PRODUCTION CLASSES GRADES K-5

"A character ventures out to get what they need, faces conflict, and ultimately triumphs over adversity. Originally conceived/penned by Joseph Campbell in the 1940s, the Hero/Heroine's Journey is the basis for so many stories in literature, film and theatre; we keep repeating the structure. There is something uniquely human about the journey. In the end, we seek to master the mind and not fear death...or freedom to live. "Living in the moment" is a widely-used theatrical phrase in educational settings, and we practice this by "neither anticipating the future nor regretting the past."

Disney's *The Lion King* has captivated the imagination of audiences around the world and now, for the first time ever, you have the opportunity to perform this one-of-a-kind musical at HITS Theatre. The African Savannah comes to life with Simba, Rafiki and an unforgettable cast of characters as they journey from Pride Rock to the jungle... and back again, in this inspiring, coming-of-age tale.
