DIRECTOR'S NOTE

I would like to thank you all for coming out and supporting these young artists. Theater is an escape, a chance to get lost in an alternate reality where when words aren't enough, we sing, and when singing isn't enough, we dance.

Musicals are a special art form, one that these actors have worked long and hard to achieve. I have to say Mean Girls is a beloved film for a Millennial like me, so being able to take what I love from the movie and reimagine it for this stage has been such a pleasure. This is also my solo Directorial debut, and these kids have taught me so much. Months of work, countless hours, and obstacles have shaped this production into something I am so proud of. So, sit back, relax, and don't be afraid to laugh. I welcome you to North Shore High, home of the lions!

Ryan Perez
