SYNOPSIS

Based on the iconic animated film, with an Academy Award-winning score by Alan Menken, Howard Ashman and Tim Rice, Disney's Aladdin KIDS is sure to send audiences soaring on a flying carpet ride filled with romance and adventure.

When the street urchin, Aladdin, vies for the attention of the beautiful princess, Jasmine, he uses a genie's magic power to become a prince in order to marry her. Iago, Jafar, the Genie, and more are here in Disney's Aladdin KIDS, a musical adventure filled with magic, mayhem and the power of love.

DIRECTOR'S NOTE

The original Aladdin story is from a tale that was added to "One Thousand and One Nights" by French translator Antoine Galland, who claimed he heard it from a Syrian storyteller.

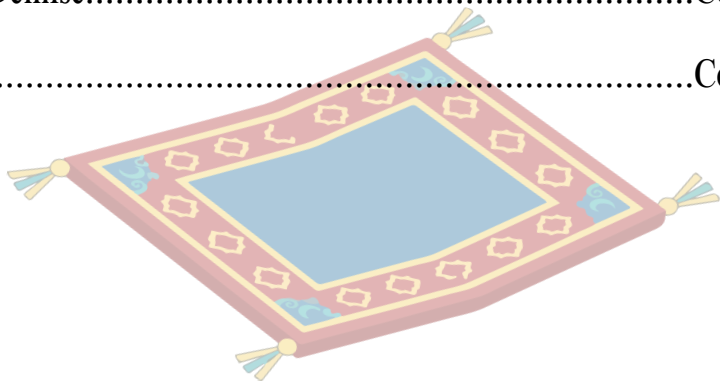

Through many years, it's been passed down and reshaped. Enjoy the latest addition to this story's legacy.

"All cartoon characters and fables must be exaggeration, caricatures. It is the very nature of fantasy and fable." - Walt Disney
